

After a very positive response to our new location, the twenty-fourth annual Pacific Rim Street Fest is scheduled to return to Southside Park **on Saturday, May 13, 2017**. As in years past, we will be celebrating and showcasing all facets of the Asian Pacific Islander cultures. Southside Park proved to be a popular site for the event, with ample room, much-appreciated shade, and convenient parking. We would be honored to have you participate as a vendor in 2017.

We are grateful to our many local and regional vendors over the years. It is this consistent participation and support that has enabled us to present this salute to Asian Pacific Islanders and their contributions to and influence on our local communities.

We have attached our vendor application package.

Our team members are available to answer any questions and to follow up with you on your application submission. Laurie Hensley is at [lhensley@mail@gmail.com](mailto:lhensley@mail@gmail.com) and Terry DeBencik is at [tdebencik@aol.com](mailto:tdebencik@aol.com).

Respectfully,  
Merlayna Yee-Chin, President  
Pacific Rim Street Fest
